Concept

World Furniture Magazine is a quarterly working tool for professionals and a platform of information on global markets, business strategies, trends and innovation for the furniture and furnishings industry (kitchen, bathroom, living, upholstery, bedroom, outdoor) and major related sectors (components and materials, flooring, doors and windows, lighting fixtures, appliances).

The magazine has been publishing since 1999 by CSIL, an independent research institute specialized in applied economics, industry competitiveness, market analysis, feasibility, and development studies, established in 1980 in Milan.

Digital copy of each issue is emailed to CSIL mailing list of sector stakeholders worldwide and available for the download at
